Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 1600 on Monday 25 Jan 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Mainly dry this evening. Rain arriving early on Tuesday.

This Evening and Tonight:
North coast may see a shower this evening. Otherwise dry with a frost developing. Rain and high ground snow will spread eastwards through Tuesday morning, likely leading to some icy stretches on untreated surfaces. Minimum temperature -1 deg C (30 deg F).

Tuesday:
Cloudy with rain spreading east through the morning, turning drier from the west later. A little milder than of late. Maximum temperature 7 deg C (45 deg F).

Outlook for Wednesday to Friday:
Mainly dry and cloudy on Wednesday, but more rain later. Remaining changeable with further rain at times on Thursday and Friday, and staying quite mild.
